We use trusted third-party providers

Because we use service providers in multiple countries, some of your personal data may be processed outside of the EU, particularly in the USA. The USA does not have an adequacy decision by the European Commission, which means it does not provide the same level of data protection as the EU. To ensure the security of your data, we enter into data protection agreements with all our providers and implement Standard Contractual Clauses (SCCs) when necessary. You can request a copy of the SCCs we rely on with our providers outside the EU/EEA by contacting us at privacy@absclust.com.
